REQUEST FOR ACKNOWLEDGMENT OF  
RECEIPT OF CERTIFIED COPY(IES)

1. It is noted that the Examiner has incorrectly indicated in the Notice of Allowability dated September 28, 2004 that none of the certified copies of the priority documents have been received in support of the applicant's claim for foreign priority under 35 U.S.C. § 119.

We wish to bring to the Examiner's attention that the certified copy of the priority document was filed with the USPTO on October 4, 2001. Receipt of the priority document was acknowledged by the Examiner in the June 26, 2003 office action. The Examiner also acknowledged receipt of the priority document in the first-issued Notice of Allowability. Obviously, the Examiner's statement that "none of the certified copies of the priority documents have been received" is an obvious error.

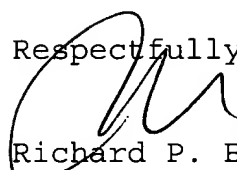

To further support the receipt of the certified copy of the priority document,

[X] a photocopy of the return post card acknowledging receipt of the certified copy by the Mail Room of the USPTO is attached.

Request for Acknowledgment  
of Receipt of Certified Copy

2. It is urgently requested that the USPTO confirm receipt of the priority document in this case.
